

Telehealth Capability Interest Group (TCIG) – Virtual Forum

Free weekly community of practice for clinicians

What's on this week

The Telehealth Capability Interest Group (TCIG) is a community of practice that aims to:

- share information about telehealth initiatives, including new technology and other advancements
- promote innovative telehealth models
- identify common issues at a state level and opportunity to network
- support clinicians to increase telehealth in their practice
- support the implementation of the NSW Agency for Clinical Innovation telehealth guidelines.

Invited speakers include telehealth champions from NSW Local Health Districts (LHDs) and Specialty Health Networks and interstate telehealth champions (SHNs).

Date and time

TCIG meetings are held every **Thursday** from 1:00 – 2:00pm est or 12:30 – 13:30 cst.

Each forum includes presentations, discussion and collaboration time.

Cost

TCIG events are free of charge.

Membership

TCIG membership and monthly forum attendance is open to anyone using or interested in using telehealth to support patient care. Please subscribe as a TCIG member to receive information about upcoming events and presentation topics: aci.health.nsw.gov.au/make-it-happen/telehealth/

How to attend

This is a free virtual conference, therefore participants can join via their computer or room-based video conferencing.

Further details on how to join can be found on: www.aci.health.nsw.gov.au/about-aci/calendar/telehealth-capability-interest-group

More information

If you are interested in sharing your telehealth model or have any questions regarding the TCIG, please contact your district telehealth manager/lead.
