

POLAR Walkthrough - GPMP

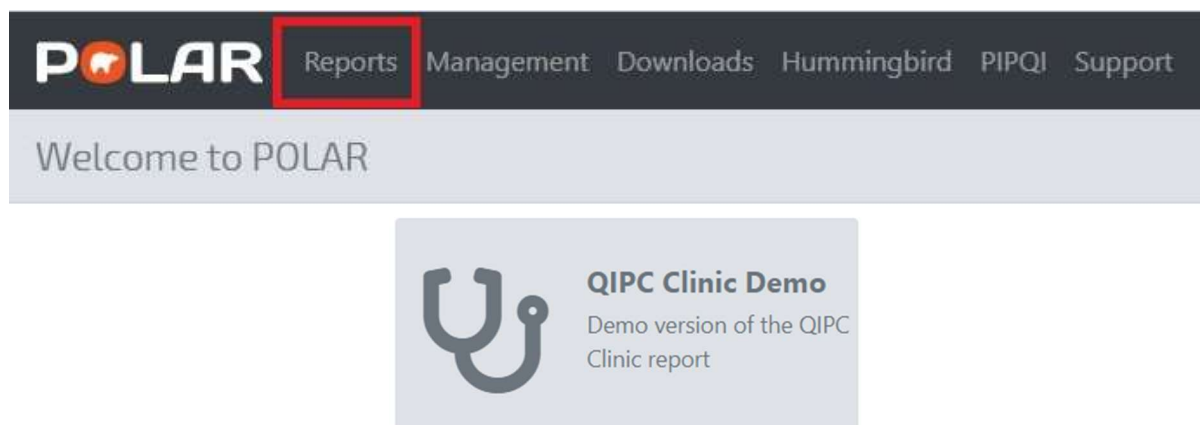

Identifying 'Dr Strange's' 'diabetes' patients who have visited the practice in the 'last month', but have never received a 'GPMP'

Patient cohort:

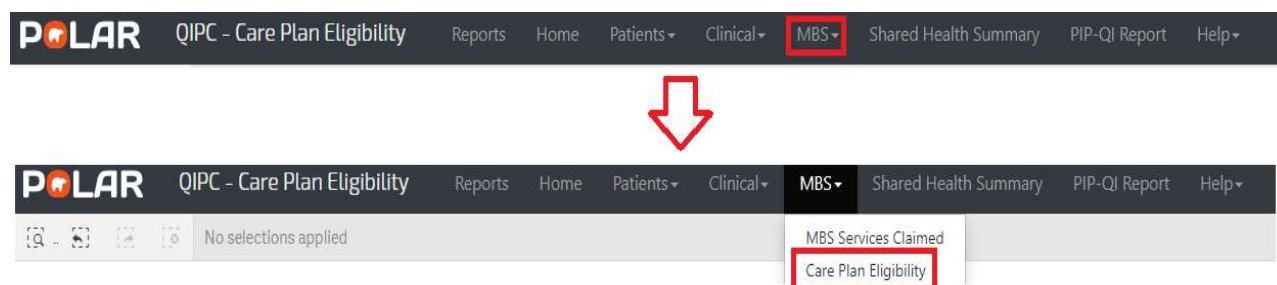

All patients who:

- Have an active diabetes diagnosis
- Regular GP is Dr Strange
- Have had an activity in the last month
- Have never had a GPMP

1. Log in to POLAR > Click **Reports** > Click **QIPC Clinic**

2. Click **MBS** > Select **Care Plan Eligibility**

3. Click **Care Plan** > Select **GPMP**

The screenshot shows a dropdown menu for 'Care Plans'. The 'Care Plans' text is highlighted with a red box. A red arrow points down to the expanded menu. In the expanded menu, the search bar contains '**'. The 'GPMP' option is highlighted with a red box, and 'TCA' is visible below it.

4. Click **Last Activity Period** > Select **Last 1 Month**

The screenshot shows two panels. The left panel displays 'Distinct Patients' as 6,246. Below this is a list of filters: 'Last Activity Period', 'Chronic Disease Group', 'Most Seen Clinician', 'Usual GP', 'Gender', and 'Age Group'. The 'Last Activity Period' filter is highlighted with a red box. A red arrow points to the right panel. The right panel displays 'Distinct Patients' as 1,794. Below this is a dropdown menu for 'Last Activity Period' with a search bar containing '**'. The 'Last 1 Month' option is highlighted in green with a checkmark, while other options like 'Last 3 Months', 'Last 6 Months', 'Last 9 Months', 'Last 12 Months', and 'Outside 12 Months' are in grey.

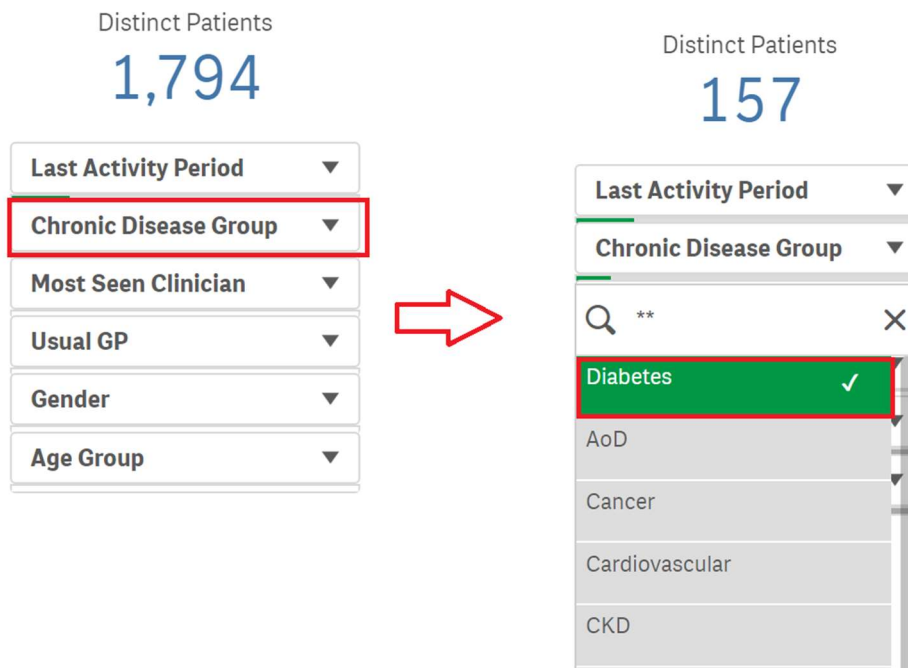

5. Click **Chronic Disease Group** > Select **Diabetes**

7. Select **No Ever** > Click **Patient List**

The screenshot shows the 'Patient List' interface. At the top, there is a navigation bar with 'Patient List' highlighted. Below the navigation bar, there are filters for 'Last Activity Per...' (Last 1 Month), 'Chronic Disease...' (Diabetes), and 'Most Seen Clinical...' (Dr Orange). A 'Care Plans' dropdown menu is visible. The main content area displays 'Care Plan Review Eligibility' with the following categories and counts:

- Active: 6
- Expired: 2
- Eligible for Renewal: 0
- Eligible for Review: 5
- No Ever: 1 (highlighted with a red box)

There are also buttons for '3 Months', '6 Months', and '9 Months' to toggle the minimum care plan review frequency.

8. Click **Export to Excel** to save the patient list

The screenshot shows the 'Export to Excel' button, which is highlighted with a red box. The button is located below the patient list filters and above the 'PATIENT LIST' heading.
