

Opioid Treatment Accreditation Course

A free training course for general practitioners, other medical practitioners, & nurse practitioners to safely provide opioid pharmacotherapies

Liverpool Course Information - Saturday 14th May 2022

Are you a general practitioner or other prescriber interested in learning about opioid pharmacotherapy treatment?

The University of Sydney is hosting a free training course on behalf of the NSW Ministry of Health in Liverpool for prescribers to learn more about how to safely prescribe opioid pharmacotherapies (methadone and buprenorphine) for opioid dependence.

The **Opioid Treatment Accreditation Course (OTAC)** is a free course that also allows you to be recognised as accredited prescriber of opioid pharmacotherapies in NSW.

Course Information

Where: Liverpool Catholic Club (458 Hoxton Park Rd, Liverpool NSW 2170)

When: Saturday 14 May 2022

Register: <https://otac-may-2022.eventbrite.com.au>

The course will be presented by Dr Jenny James and Dr Richard Hallinan of Drug Health Services at South Western Sydney Local Health District, will commence at 9:00am and conclude around 4:30pm.

Morning tea, lunch and afternoon tea will be provided throughout the day.

The OTAC is provided across NSW with funding from the NSW Ministry of Health
