

FREE Online Dementia Information Session!

Honouring International Day of People with Disabilities

South West Sydney is expected to have the highest increase in dementia cases in all of NSW by 2050. Dementia is a brain illness that can affect mobility, vision, and cognition. It is NOT a normal part of ageing.

Register Now

Join Western Sydney University researcher and brain health advocate, Dr Diana Karamacoska, for an interactive online workshop exploring how dementia can affect people of all ages.

When: 1 December 2022

Time: 10:00 am – 12:00 pm

RSVP: <https://tinyurl.com/ycxbj825>

Phone RSVP: Call 0450 880 580

Where: <https://uws.zoom.us/j/87831520664>

Delivered in partnership between Western Sydney University, City of Canterbury Bankstown, Camden Council, Wollondilly Shire Council, South Western Sydney Primary Health Network, and the Canterbury-Bankstown Dementia Alliance.
