Why enrol with Tele-Derm?

DESIGNED TO SUPPORT RURAL DOCTORS

Tele-derm has been proven to increase the competence in diagnosis and treatment saving both patients and doctors time and money.

EASY TO USE:

Available 24/7, submit a patient history and images or search the clinical index for similar cases.

RESPONSE WITHIN 48 HOURS

By experienced dermatologist/plastic surgeon.

GAIN CPD FOR COMPLETING EDUCATION CASES

Automatically for ACRRM members. Non-members can self-record as required.

ENCOURAGES SAFE AND TIME-EFFICIENT PRACTICE

Rural specific advice from multiple Specialists aids appropriate investigations and good decision making.

Tele-Derm specialists

DR JIM MUIR

Founding father of tele-derm and dermatologist with a special interest in skin cancer and skin disease in the elderly.

DR RACHAEL FOSTER

Dermatologist in Perth with a special interest and expertise in paediatric dermatology.

DR DAN KENNEDY

Senior plastic surgeon involved in the management of skin malignancy and aesthetic work.

Dr Jim Muir talks Tele-Derm in this video.
