

Paid CPD training opportunity for GPs

Initial Assessment and Referral Decision Support Tool (IAR-DST) workshop

Useful tool to complement clinical judgement when recommending mental health support

\$300 per GP incentive

Once-off incentive payment direct to GP, or lump sum to practice for each participating GP. Ex GST.

Payment not available to other medical staff, clinicians or GPs working in adult mental health centres or Aboriginal medical services already funded by the Government.

Two CPD hours

Attendees may record one hour Educational Activities, and one hour Reviewing Performance.

RACGP CPD Approved Activity
