

Set a day aside to support your patients who present with type 2 diabetes

Type 2 diabetes case conferencing clinics

Invite eight of your T2DM patients to attend a case conferencing clinic at your practice in collaboration with a local hospital diabetes specialist.

What's involved

- A specialist diabetes team attends your practice for a day clinic
- Up to ten 40-minute consultations with the patient, GP, endocrinologist and diabetes educator
- Follow-up clinic in six months' time
