

## Medical Director – Home Medication Review

## There are two (2) options for completing an HM

Option 1:

Using the template found in Assessment > Medication Review.

1. On Patient's file select Assessment then Medication Review.

2. Follow the screens and complete details as required, then **Save**.

Medicat	tion Review					
				м	edication R	eview
	Madiantian lat					
	Medication list					_
	Drug name	Strength	Dose	Freq	Instructions	-
	MAREVAN TABLET	3mg	1		m.d.u.	
	MAREVAN TABLET	1mg	1		m.d.u.	
	<				>	
	Potential problems identified:
