

Medical Director – Health Assessments

75+ years, 45-49 years Health Assessment

1. On Patient's file select **Assessment** then **Health Assessment**.

2. Follow the screens and complete fields as required, then **Save**.

Health Assessment

Before performing a Health Assessment, you should ensure that the patient's Current Medication, Immunisation and Past History lists are accurate and up to date.

To be eligible for an MBS rebate for a Health Assessment Item 700, 702, 704 or 706, patient consent must be obtained before performing the assessment.

Patient consent obtained, perform new Health Assessment.

Aboriginal and Torres Strait Islander Health Assessment

There are two (2) options to complete the Aboriginal and Torres Strait Islander Health Assessment:

Option 1.

1. On the patient's file select **Assessment** then **ATSI Health Assessment**.

2. Follow screens and complete fields as required, then **Save**.

ATSI Health Assessment ×

ATSI Health Assessment
Page 1 of 15

Before performing an ATSI Health Assessment:

- You should ensure the patient's Details, Current Medication, Family History and Immunisations are accurate and up to date.
- The patient (or carer) must be provided with an explanation about what will happen in the ATSI Health Assessment and how it is likely to help them.

To be eligible for an MBS rebate, patient consent must be obtained before performing the ATSI Health Assessment.

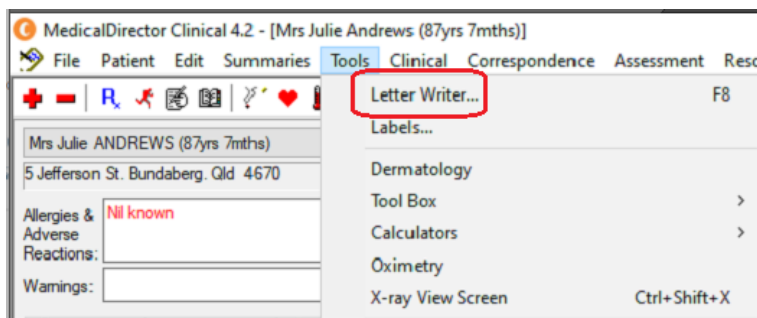

An Explanation of the ATSI Health Assessment has been provided to the Patient or Carer

The Patient's Consent has been obtained to perform an ATSI Health Assessment

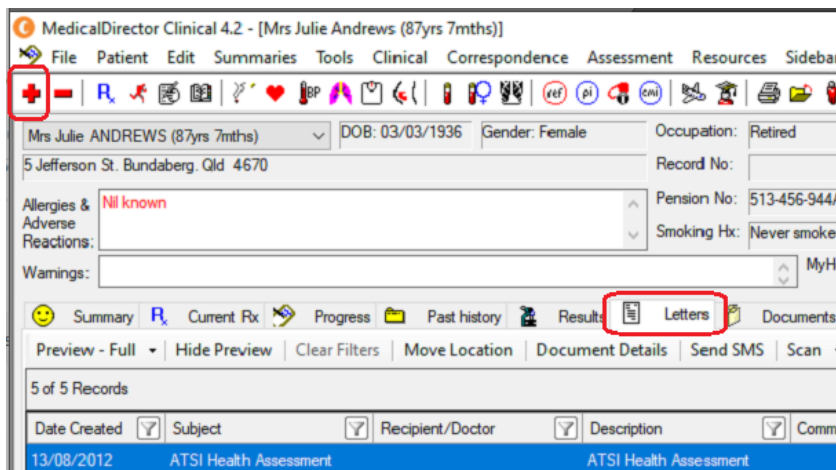

For information on this MBS item and its Explanatory Notes, visit the Department of Health and Ageing's website at: www.health.gov.au

Option 2: Templates for Aboriginal and Torres Strait Islander Health Assessments can also be found in the Letters section of the patient file:

1. Click **Tools** then select **Letter Writer (F8)**

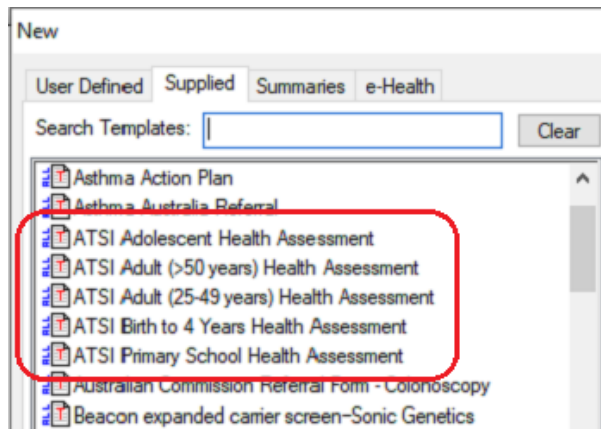

OR Select **Letters** then click the 

2. In Letter Writer select **File** then **New**

1. In the **Supplied** list, select required template.
