

Telehealth type 2 diabetes case conferencing for GPs

FREE service for GPs to consult with an endocrinologist and diabetes educator for advice on the management of patients with type 2 diabetes

Consultations typically take place with the GP only. However you may invite your patient to be present.

How to refer

Complete the Integrated Diabetes Care Case Conference Referral Form and submit it with:

- Patient's health summary
- Recent pathology results (within the last 10 weeks):
  - HbA1c
  - Fasting lipids
  - FBC, UEC and LFT
  - Urine ACR (up to date)

You will then be contacted to arrange a time for the case conference.

Consultations typically take up to 30 minutes, depending on patient complexity.
