Activity Priorities and Description

Program Key Priority Area *

Mental Health Priority Area 2: Child and youth mental health services

Other Program Key Priority Area Description

Aim of Activity *

The New South Wales Bilateral Schedule on Mental Health and Suicide Prevention (the Bilateral Schedule) sets out commitments from governments to reduce wait times and ensure young people aged 12-25 can access an appropriate level of support. This will be achieved through enhancement of the newly established headspace service – headspace Oran Park.

Description of Activity *

Provide additional funding to the new headspace Oran Park service, to support centre growth (including outreach at Narellan), manage demand and implement enhancement activities. Specific activities include increased clinical and non-clinical FTE (allied health (including family therapists) and clinical management and staffing to support the delivery of outreach services at Narellan Library and at schools across Camden LGA.

Establishment of this centre has been delayed as per updates provided to DoHAC during 2023/24 FY and 2024/25 FY.

Enhancement funding allocated in 2023/24 FY and 2024/25 FY will be rolled over to future financial years. 100% of funding will be allocated to this centre as the funds are quarantined and not able to be redistributed above the funding floor.
