

POLAR Walkthrough

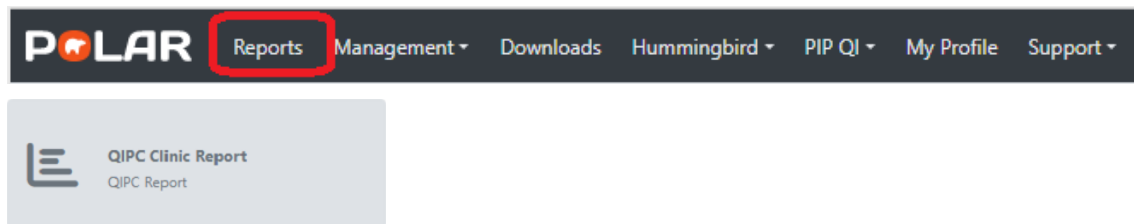

QIPC – patients with active chronic cardiovascular disease (CVD) with expired 75+ Health Assessment

Patient Cohort:

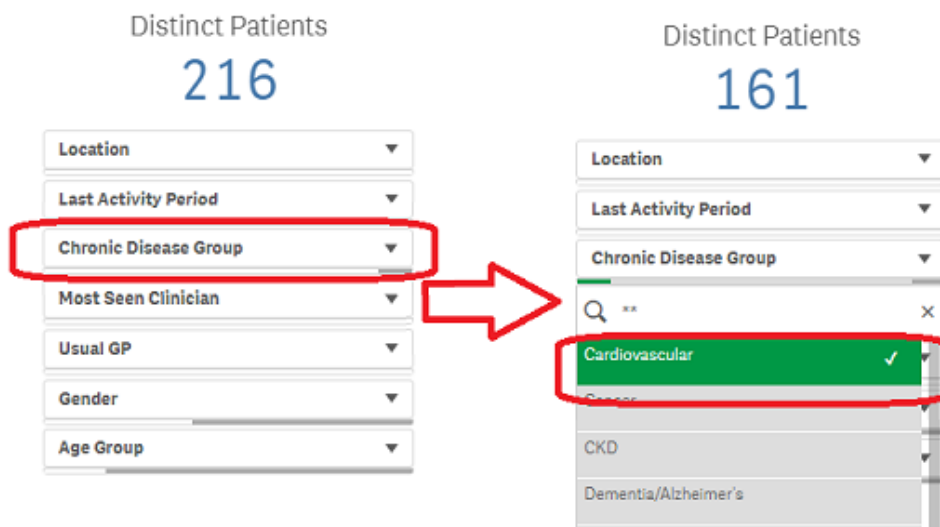

- Practice Active & RACGP Active (visit practice at least 3 times in 2 years)
- Has an active cardiovascular disease (CVD) diagnosis (Step 2)
- Overdue for 75 + Health Assessment (can be changed to another MBS item e.g., 45-49 Health Assessment) (Step 3)

Note: Patient cohort can be modified by adding or removing steps according to your practice needs.

1. Log in to POLAR > click **Reports** > click **QIPC Clinic Report**

2. Click **Chronic Disease Group** on the left-hand side filter bar > select **Cardiovascular**

3. Click **Tracked MBS** > select **75+ Health Assessment** > choose **Select Expired**
