

POLAR Walkthrough

QIPC - patients with active chronic cardiovascular disease (CVD) who are eligible for a Home Medication Review

Patient Cohort:

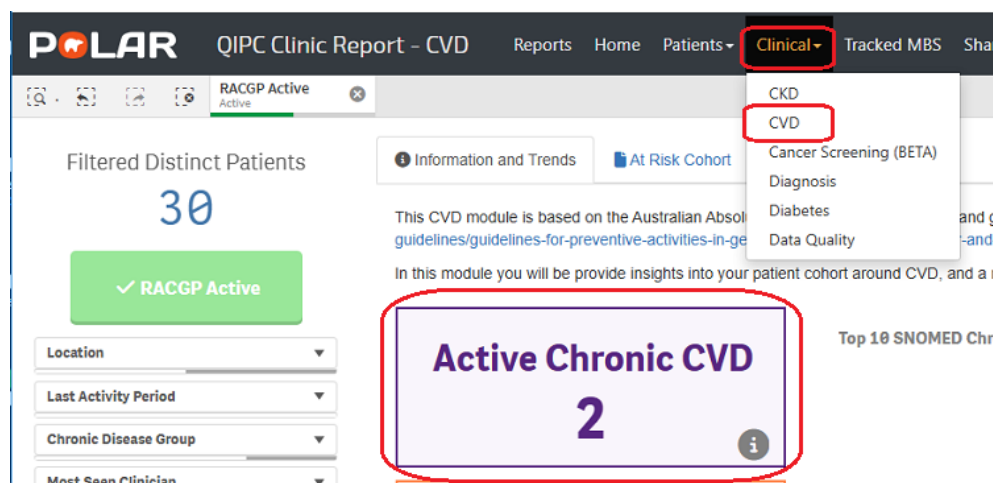

- Practice Active & RACGP Active (visited practice at least 3 times in 2 years)
- Active Chronic CVD (Step 2)
- Never had or expired Home Medication Review (can be changed to another MBS item) (Step 3)

Note: Patient cohort can be modified by adding or removing steps according to your practice needs.

1. Log in to POLAR > click **Reports** > click **QIPC Clinic Report**

2. Click **Clinical** > select **CVD** > select **Active Chronic CVD**

3. Click **Tracked MBS** > select **Home Medication Review** on the MBS item table > choose **Select Combined**
